BIAŁYSTOK UNIVERSITY OF TECHNOLOGY |

Home to Białystok University of Technology is city of Białystok - the largest city in north-eastern Poland, and the capital of the Podlaskie Voivodeship.

INTERNATIONAL COOPERATION

INTERNATIONALISATION ON MANY LEVELS

numerous bilateral cooperation agreements, including double-degree agreements (double-degree programmes in the fields of: Civil Engineering, Architecture, Environmental Engineering, Logistics),

the success of the Erasmus+ KA107 project – staff and student exchange with universities from the outside of the European Union,

experience in organising events such as **the International Week** – international forums for exchanging contacts and experiences;

a broad offer of courses for Erasmus+ participants and freemovers (the offer of 556 courses for international students);

the Foreign Language Centre can now conduct examinations in Polish as a foreign language (as the only centre in north-eastern Poland). We offer numerous activities supporting the integration of Polish and international students, which are possible thanks to the co-financing from the Erasmus+ and Welcome to Poland programmes (NAWA);

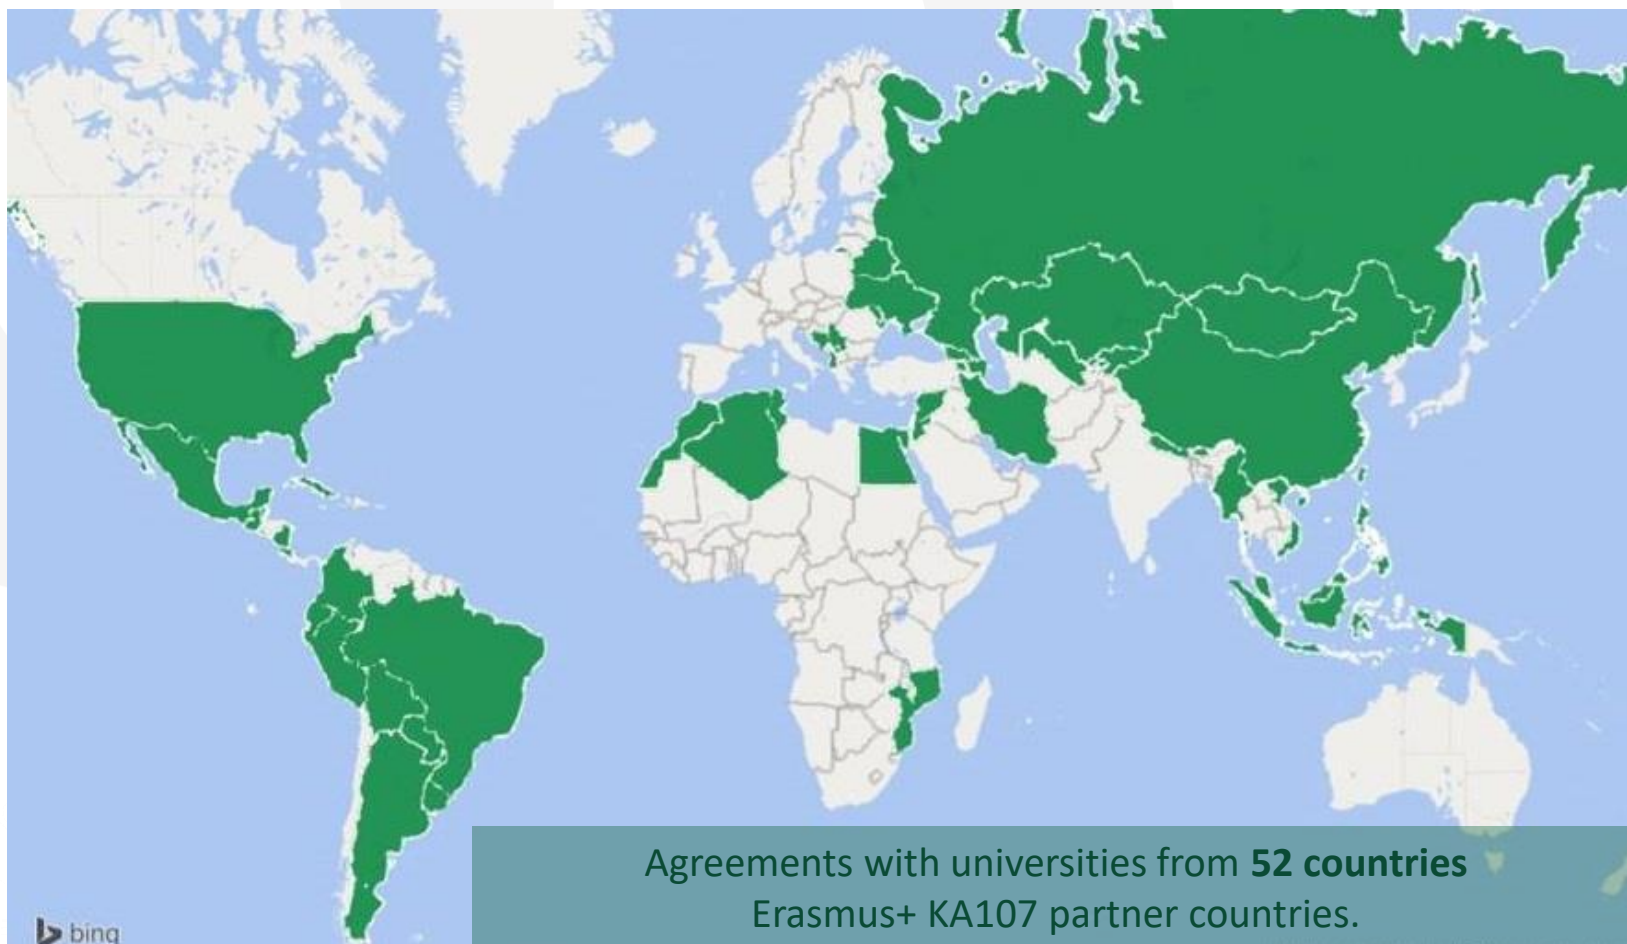

summer schools:

Polish-Chinese summer school in the field of logistics,
Polish-Spanish-Lithuanian summer school within the VIPSKILLS project on energy-efficient building as well as efficient heating and ventilation systems,
Polish-Spanish-Lithuanian summer school within the GLOCAL project on urban design
